Looking back over our three years at Hoover, we can thank our counselors, Miss Ingebritson and Mr. W. Allen, for making our "Senior Silhouettes" successful.

You have guided us through a schedule that we could never have accomplished without your encouragement. You have stood behind us, ready to give a smile of approval, a "well done," or a "we will be glad to help you." You have left your door open to us for our every problem and need. You have made every effort to show us the highest goals in the life we are about to meet. You have worked incessantly in our interest and your reward is the highest esteem and affection of this, the Class of 1957.

To you, Miss Dagny Ingebritson and Mr. Wendall Allen, for your service, untiring faithfulness, and loyalty to us and our school, we, the Class of 1957, respectfully dedicate our Annual.

Graduation Day is a time to which you have looked forward for many years and now that time has come. You have been given the opportunity to pursue individual interests and talents and develop qualities of leadership and cooperation. It is our hope that you have utilized these opportunities well and formed high ideals of conduct which will determine for your future a full measure of successful achievement and constructive citizenship.

I wish to congratulate each member of the 1957 graduating class for the achievements accomplished while here at Hoover. We will miss you in the activities of the school, for you have given valuable service and shown outstanding leadership. As you graduate, I wish you the very best in whatever may be ahead.

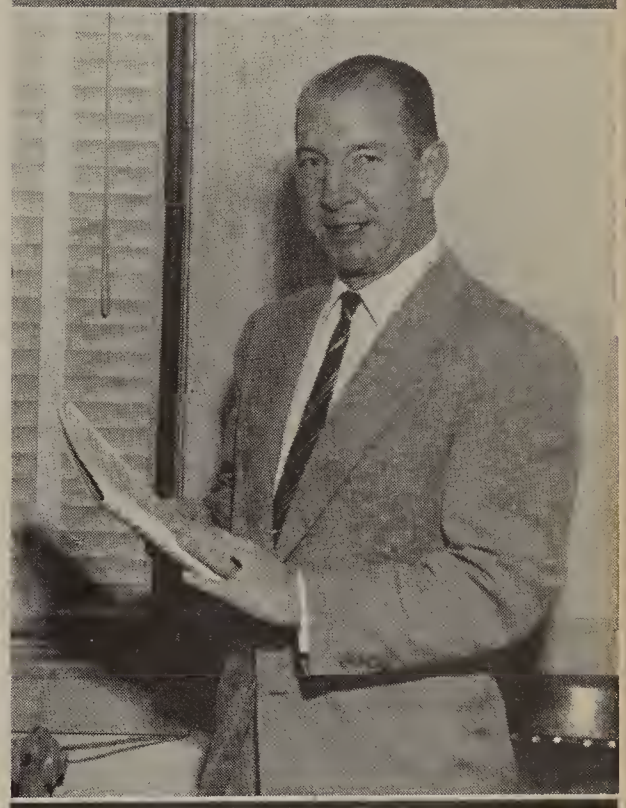
MISS DILLON'S MESSAGE

You seniors have likened the happenings and accomplishments of your years at Hoover High to silhouettes. Your "senior silhouette" is really YOU; the background is your HERITAGE.

If it were not for a forceful background, a silhouette would be but a vague and meaningless shadow. How fortunate you are that civilization doesn't have to start all over again every generation. Your heritage, which has been accumulating itself for many thousands of years, is a precious gift. Use it. As an artist skillfully places a lovely object against a perfect background, use the heritage of the ages —books, music, art, religion, eternal truths—as the perfect backdrop for your personal life.

It is encouraging to remember that even a very small figure can make a giant shadow. Your belief in the power of even one individual, your faith in your own potentialities, your confidence in the resources of your priceless heritage, can transform your "senior silhouette" into a "silhouette sublime."

HELEN F. DILLON
Vice-Principal



MR. FORD'S MESSAGE

SENIORS: With rare exception, the history of civilization reveals that the great ideas, discoveries, inventions, and artistic accomplishments which have brought man to his present high pinnacle came from persons still in the youthful period of life—under 35.

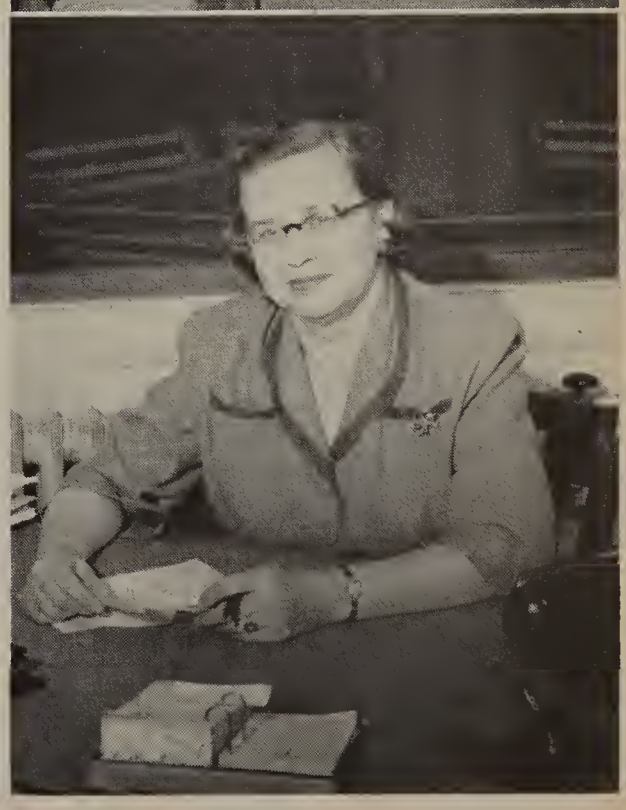
The affinity of youth to greatness is explained by Emerson:

So nigh is grandeur to our dust,
So near is God to man,
When duty whispers low, **Thou must,**
The youth replies, **I can.**

The suggestion seems to be that success comes early, but only to those who believe **I can.**

Your approaching graduation entitles you to this faith in yourself—**I can.**

Farewell and good luck,
ROBERT E. FORD
Vice-Principal



V. GRIZZLE'S MESSAGE

As you, the Seniors of 1957, approach the end of your days at Hoover, graduation becomes a period to be faced with mixed emotions—nostalgia for the happy times, relief at the release from the pressure of examinations, eagerness for experiences ahead, and a little uneasiness at the thought of entering the adult world. It will be an interesting world with many challenges and cpportunities.

As your friends and teachers wish you Godspeed, they are entrusting you with the responsibility of carrying into your new world the ideals of fair play that you learned in athletics, of honest effort that you put forth in the classroom, of responsibility that you assumed in school and class activities, and of friendliness that you followed in your relationships with your fellow students. Following these ideals, the road ahead will lead you to many successes and satisfactions as you take your place with the many other fine alumni of a fine school.

Its purpose is to develop loyalty for and to serve Hoover in all its activities, to stimulate friendship and good fellowship among the athletes of all schools, and to emphasize the meaning of courage, honesty, and decency.

The qualifications for membership are a Varsity letter in at least one major sport, passing scholarship grades, and no "F" grades in citizenship. Their activities are many and varied. This year they included sales, breakfasts, and three initiation picnics. This outstanding group also sponsors intramural activities and contributes to the scholarship fund.

Special speakers during the year, such as professors and students from San Diego State College, provided useful information. Other activities included a banquet honoring the returning alumnae and a visit to the Education Center.

The organization's slogan is: "Ideals are like stars. You will not succeed in touching them with your hands; but if, like the seafaring man, you choose them as your guides and follow them, you will reach your destiny." The sponsor is Mrs. Cecile Hoffman.

FUTURE NURSES OF AMERICA

The Future Nurses of America held their meetings on alternating Wednesdays in Room 112 with Miss Ingebritson, their sponsor. The organization's membership requirements are an interest in a nursing career and attendance at five meetings.

Membership is earned by grade points. Ten points are needed, two of which may be service points. Three points are allowed for an "A" in scholarship, and one point for a "B." Citizenship must be "A" or "B."

This lively group meets once a month in the auditorium to plan their varied activities under the sponsorship of Miss Bassett.

The Hoover High gridmen this year made a fine showing of team effort and good attitude. The 1956 C.P.L. champs were backed by Coach Roy Engle and his two assistants: Line Coach Don Henson and End Coach Don Wilson. The big red machine fell one game short of a perfect league season, but went on to the S.C.I.F. quarter finals. Because there was no first place winner, Hoover was named among the top eight teams in Southern California.

At the annual Football Carnival in Balboa Stadium, the Red Birds held Lincoln High to a 0-0 tie in the third quarter. On the following Friday, the team, accompanied by many Cardinal rooters, journeyed to Redlands and brought home a 14-6 victory.

The next opponent to meet defeat was Grossmont. Although the Foothillers gave the Hockerville boys a tussle, we won with a score of 9-6. The following week the Englemen tumbled the Mission Bay Buccaneers while playing the host on their own field, 27-12.

Finally the big game arrived! The traditional cross-town rivals had come to pound Hoover, but this time the tables were turned. With combined team effort and school spirit, the Cardinals came out on top of San Diego with a 20-12 victory. This was the first time in seven years that the Cavers had been defeated by the Hockerville gridmen.

The Saint Augustine game came on Thursday night of the next week, and the hosting Cardinals defeated the Saints 9-6. Lincoln High was the next team to do battle with Hoover. Although some of the more pessimistic students didn't think Hoover had too good a chance, we came out on top by a score of 12-7.

The jinx contest next on the calendar proved to be the team from Point Loma. We met a 20-7 defeat, but most of the students agree that it just wasn't our night. By the next Friday, Hoover was back on their feet again, and we took Kearny 40-13.

At that time, San Diego, Lincoln, and Hoover were tied for first place; but by unanimous vote, Hoover was placed on top of the C.P.L. pile. This meant that Hoover was destined to meet the Metro League champs, Helix, at the Aztec Bowl the next Friday night. With all our banners flying and lollypops saying "Lick Helix," the Hoover Cardinals walked off with a 21-13 victory.

The jaunt up the coast to Anaheim proved fatal to the Cardinals. Slated to lose, the Cardinals went down fighting with a score of 34-6.

A most successful year ended with 33 lettermen, including two managers. Bill Cottrill was named most improved player, Bob Williams, the most valuable, and Doug Dunnam, captain.

This year's Sophomores turned in their uniforms with the satisfaction of a job well done. These future Varsity gridmen were guided by Coach John Kovac and Coach Bob Nordstrom, who did a terrific job with the men of mud.

The season wound up with a 4-2-1 record. The team, outstanding defensively, chose Lynn Askew and Mike Pleasant as co-captains. The most improved player was Chuck Neal, center, and most valuable, Lynn Askew, left halfback.

Coach
Charles Hampton

Coach Charlie Hampton's hoopmen finished this year's season with an 11-1 city league record and the City Prep League crown for the second consecutive year.

Besides this honor, four Hooverites won a position on the traditional all-city team. Those standing alone are Wayne Adams, Steve Evans, Walt Baranski, and Norris Greenwood, a junior. The wheel of fortune also brought individual recognition to Wayne Adams, who was named player of the year.

After drawing a bye for the first round of S.C.I.F. preliminaries, Hoover pounded forth in defensive play and proceeded to defeat Helix, 51-44. With school spirit high and a strong will to win, the hardwoodmen proceeded to tackle El Monte and their seven foot center. Although the team fought valiantly, we were defeated 57-54.

Excelling in defensive as well as offensive play, the Cards brought home a season record of 22-4. High scorers were Steve Evans, 347 points, and Wayne Adams, 307.

First row, left to right: Coach Wilson, Samuel, Brown, Neal, Baranski, Gilbert, Roppe, Evans, Adams, Greenwood, Dobyns, Youngs, Craig, Coach Hampton. Second row: Slavit, Griffin, Humphrey.

The Varsity team captain was Bob Larsen, who remained unsurpassed this season by his teammates. His 9:46 time made him the only Hooverite to run the course in less than 10 flat. The sophomores, who composed 60 percent of the squad, chose Duane Spandl as their captain.

WRESTLING

For the first time since 1951 the grunts and groans of the wrestling team were heard in the Boys' Gym. Coach Hub Foote's mighty Redbirds revived the art of wrestling after lying dormant for five years.

Showing great improvement by winning the last two matches the matmen finished the season with a 2-4-1 record. The individual weights of the team ranged from Bruce Cavallin's 95 pounds to the heavy-weight titles of Sam Smith and Art Whisler. The team manager was Steve Baumbush.

First row, left to right: Roush, T. Smith, Arellano, Lowery, Manion, Whitaker, Bard, Sherinian, Adams, Whisler, Devereux. Second row: Bambush, mgr., Cavallin, Boyle, Nielsen, Lambe, Griffin, Nolan, Coach Foote, Wetzell, Copitas, Sharamitaro, Kennedy, Swanson, S. Smith.

The powerful seven-man team consisted of Carl Welty, Gib Morton, Jim Anderson, Ron Brown, Jeff Goff, Dick Roppe', and Larry Strauss.

VARSITY TRACK

Coach
Raleigh Holt

At press time Hoover's thinclads held an outstanding record of 7-0, which could not have been accomplished without the able coaching of Mr. Raleigh Holt. The last two years, the team has taken first place in the C.P.L. and this year they are very close to first place.

The mighty Dick Verdon shattered all city and county records this year when he beat his own last year's record of 56' 5¼" to make a new record of 60' 10". Also in the lineup of record breakers is Bill Stephenson who broke the school low hurdle record of 19.7 seconds, set in 1953, by .2 of a second to make it 19.5 seconds. Both Verdon and Stephenson have turned in three fine years of track for Hoover.

Also turning in a fine record were: Bob Ball, high jump; Arnold Tripp, broad jump; John Erickson, pole vault; Chuck Hansen, high hurdles; Bill Stevenson, 220; Bob Bane, undefeated in 440; Roy Munson, undefeated in 880; Bob Larsen, mile. BEE TRACK

Coach Raleigh Holt's Bee trackmen had turned in a record of five wins and two losses at press time with only three meets to go. Hindering the go power of the Bee squad is the fact that many of the boys are running Varsity races.
